

Catch On Fire

[3 times]

I wish somebody's soul would catch on fire, catch on fire, catch on fire,
I wish somebody's soul would catch on fire, burnin' with the Holy Ghost.

When the day of Pentecost was fully come,
They were all in one place, they were all in one accord.
Then suddenly there came a sound like a rushing mighty wind.
It filled the house where they were sitting in.

I wish somebody's soul would catch on fire, catch on fire, catch on fire,
I wish somebody's soul would catch on fire, burning with the Holy Ghost.

There appeared unto them cloven tongues,
Just like fire shut up in my bones.
They were all filled with the Holy Ghost,
They spoke with other tongues as He gave utterance.

I wish somebody's soul would catch on fire, catch on fire, catch on fire,
I wish somebody's soul would catch on fire, burnin' with the Holy Ghost.
